1. INTRODUCTION

These Terms of Reference are to be read in conjunction with the Governance of College Bodies By-law. Both the Governance of College Bodies By-law and these Terms of Reference govern the College Body.

1.1. Established

The Curriculum Review Group for Community Child Health is established under the authority of the Advanced Training Committee in Community Child Health to perform the functions set out in these Terms of Reference and all matters ancillary to those functions.

1.2. Term

The term of this Curriculum Review Group for Community Child Health is a maximum of 12 months but may be dissolved in less than 12 months if the group has completed the required curriculum development process.

2. PURPOSE

The Curriculum Review Group for Community Child Health is responsible for developing a new Advanced Training curriculum for Community Child Health in accordance with College frameworks, models and processes.

3. FUNCTIONS

The functions of the Curriculum Review Group for Community Child Health are to:

- evaluate the current state of the training program and make recommendations about how it can be improved
- review and revise a draft new curriculum or curricula according to the RACP curriculum model, including curriculum standards and learning, teaching and assessment programs
- plan a consultation on the new curriculum, including mapping relevant stakeholders
- review the draft curriculum and make recommendations for changes in response to stakeholder feedback
- plan implementation of the new curriculum

The Curriculum Review Group for Community Child Health is an advisory and recommending body only and does not have authority to:

- enter into contractual relationships.
- represent or imply in any way that the Curriculum Review Group for Community Child Health is a body independent of the College.

4. MEMBER COMPOSITION

The members of the Curriculum Review Group for Community Child Health will be appointed by the Advanced Training Committee in Community Child Health.

The Curriculum Review Group for Community Child Health will be supported by the Advanced Training Curricula Renewal project team.

The Curriculum Review Group membership shall comprise of a maximum of 12 individuals who are members of the RACP, comprising:

- 4.1.1 A Chair
- 4.1.2 A Deputy Chair, appointed by the Chair
- 4.1.3 At least one member who is a member of the Advanced Training Committee in Community Child Health or was a member of that committee in the last ten years
- 4.1.4 At least one member who is a representative of the Neurodevelopmental and Behavioural Paediatric Society of Australasia
- 4.1.5 At least two members who are based in Aotearoa New Zealand
- 4.1.6 At least one member is a representative of the Chapter of Community Child Health
- 4.1.7 At least one member with specific interest in child protection / social paediatrics
- 4.1.8 At least one member with specific interest in neurodevelopmental–behavioural paediatrics
- 4.1.9 At least one member with specific interest in child population health
- 4.1.10 At least two members who are trainees who have completed at least 12 months of training (ideally core training) at the time of appointment to the Group
- 4.1.11 At least one member who has completed Advanced Training in the specialty within the last five years at the time of appointment to the Group

Any one member may perform multiple roles.

5. MEETING

This section is to be read in conjunction with the Governance of College Bodies By-law.

5.1. Number of Meetings

The Curriculum Review Group shall meet as frequently as determined by the Chair and the needs of the Advanced Training Curricula Renewal project and shall meet face-to-face or by videoconference.

5.2. Chair

The Chair or their appointee will Chair all meetings.

5.3. Quorum

A quorum is one half of the total College Body membership.

5.4. Voting

Decisions will be made by consensus of the majority of members.

5.5. Secretariat

Meeting agenda, supporting papers and written outcomes will be provided prior to the date of the meeting.

6. REPORTING

The Curriculum Review Group will report, make recommendations and hand over its developed products to the Advanced Training Committee in Community Child Health at the end of its term.

7. DEFINITIONS
