The Royal Australasian
College of Physicians

1. INTRODUCTION AND PURPOSE

1.1. The Paediatric & Child Health Division Education Committee pursuant to its terms of reference has established the Advanced Training Committee – General Paediatrics (Australia).

1.2. The Advanced Training Committee – General Paediatrics (Australia) has been established to:

- 1.2.1. monitor and assess individual trainee progress in General Paediatrics for Australian trainees;
- 1.2.2. confirm completion of training requirements to progress to Fellowship for Australian trainees;
- 1.2.3. monitor training of, and provide support to, supervisors in General Paediatrics in Australia;
- 1.2.4. accredit Advanced Training sites or programs in General Paediatrics in Australia;
- 1.2.5. assess recognition of prior learning for Australian trainees;
- 1.2.6. monitor and review training program requirements, assessment and curricula in General Paediatrics in consultation with the relevant Specialty Society(ies) and other stakeholders, and recommend changes to the College Education Committee, via the Paediatrics and Child Health Division Education Committee. This should be done in consultation with the Advanced Training Committee in General Paediatrics (New Zealand);
- 1.2.7. advise on assessment and resource content;
- 1.2.8. advise on matters relating to Overseas Trained Paediatricians, as requested
- 1.2.9. provide advice on speciality specific CPD and other educational resources for members, as appropriate;
- 1.2.10. modify training requirements for individual trainees, as appropriate, in accordance with College policies and procedures, and;
- 1.2.11. assess and provide advice on specialist recognition in General Paediatrics for Fellows in the Paediatric & Child Health Division who have not completed the General Paediatrics Advanced Training program.

1.3. The Committee must not:

- 1.3.1. enter into contractual relationships;
- 1.3.2. represent or imply in any way that the Committee is a body independent of the College; or
- 1.3.3. form policy independent of the College Education Committee.

The Royal Australasian
College of Physicians

1.4. Composition of the Committee

The Committee shall comprise up to 12 members selected by expressions of interest. Committee members should be RACP members, unless otherwise approved. The members shall include:

- 1.4.1. a Chair, nominated by the Committee and approved by the Division Education Committee;
- 1.4.2. an elected Deputy Chair;
- 1.4.3. at least one member belonging to the relevant Specialty Society(ies);
- 1.4.4. an advanced trainee in General Paediatrics from Australia, or an alternate approved by the committee;
- 1.4.5. the Chair, or permanent delegate, of the Advanced Training Committee in General Paediatrics (New Zealand) as an ex-officio member.

Members may have multiple responsibilities.

1.5. Meetings

The Committee shall meet face to face once annually with up to nine (9) teleconference meetings if required. Additional meetings require approval from the Chair of the Paediatric & Child Health Division Education Committee and the Director of Education.

2. TERM OF OFFICE

- 2.1. Members of the Committee shall be appointed in accordance with the process for the appointment of members to College Bodies as set out in the Governance of College Bodies By-law or any by-law or document that replaces or complements that By-law from time to time.

3. REPORTING

- 3.1. The Committee is a Committee of **Paediatric & Child Health Division Education Committee** and must report to them as required from time to time.
- 3.2. The Committee may make exception reports to the Paediatric & Child Health Division Education Committee or College Education Committee to address emergent or risk management issues as required.
- 3.3. The Committee will provide summary reports to the relevant Specialty Society(ies)_ from time to time in the specified format.

College of Physicians

4. DEFINITIONS

“Board”	means the Board of Directors of the College.
“College”	means the Royal Australasian College of Physicians (ACN 000 039 047), an incorporated body limited by guarantee and includes the Divisions, Faculties and Chapters of the College.
“Constitution”	means the Constitution of the College as amended from time to time.
“Fellow”	means a Fellow of the College.
“Speciality Society”	Specialty Societies are professional bodies for consultant physicians, which may include other medical practitioners, healthcare workers, researchers and other professional groups engaged in that specialty. Their objectives may include continuing professional development and support of members, involvement in education and research, mentoring of Trainees in their specialty, development and implementation of practice guidelines, and policy and advocacy for healthcare.
“Trainee”	means a person who is undertaking a program of Basic Training or Advanced Training approved by the College in order to gain Fellowship of the College.

Approved by **Paediatrics & Child Health Division Education Committee** on **23 February 2015**.
