College of Physicians

1. INTRODUCTION AND PURPOSE

1.1. The Advanced Training Committee – Cardiology pursuant to its terms of reference has established the Aotearoa New Zealand Advanced Training Subcommittee – Cardiology.

1.2. The Ao NZ ATS - Cardiology acknowledges Te Tiriti ō Waitangi / The Treaty of Waitangi and the foundational principles of bicultural partnership, participation, and protection it guarantees.

We therefore commit that all our policies will give consideration to the impact on the wellbeing and mana of Māori as tangata whenua, and ensure that these policies uphold the above principles.

We support appropriate initiatives that will assist Fellows, trainees and staff to develop their cultural competence. This incorporates tikanga Māori values of manaakitanga (hospitality, kindness and support), whanaungatanga (relationships, sense of family connection) and mōhiotanga (knowledge, understanding, insight)

1.3. The Aotearoa New Zealand Advanced Training Subcommittee – Cardiology has been established to:

- 1.3.1. Monitor and assess individual trainee progress in Cardiology in New Zealand;
- 1.3.2. confirm completion of training requirements to progress to Fellowship;
- 1.3.3. provide support to supervisors in Cardiology in New Zealand;
- 1.3.4. accredit Advanced Training sites or programs in Cardiology in New Zealand;
- 1.3.5. assess recognition of prior learning in Cardiology in New Zealand;
- 1.3.6. provide feedback on training program requirements, assessment, curricula and resource content as requested by the Advanced Training Committee – Cardiology;
- 1.3.7. advise on assessment and resource content;
- 1.3.8. provide advice to the MCNZ on OTP applications, as requested by the NZ OTP Unit; and
- 1.3.9. provide advice on specialty specific CPD and other educational resources for members in New Zealand, as appropriate.
- 1.3.10. modify training requirements for individual trainees, as appropriate, in accordance with College policies and procedures, and;
- 1.3.11. assess and provide advice on specialist recognition in Cardiology for NZ Fellows who have not completed the Specialty Advanced Training Program.

College of Physicians

1.4. The Subcommittee must not:

- 1.4.1. enter into contractual relationships;
- 1.4.2. represent or imply in any way that the subcommittee is a body independent of the College; or
- 1.4.3. form policy independent of the College Education Committee or undertake activities outside those approved by the College for this committee.

1.5. Composition of the Subcommittee

The Committee shall comprise up to 8 members selected by expressions of interest. Committee members should be RACP members, unless otherwise approved. The members shall include:

- 1.5.1. a Chair, nominated by the Subcommittee and approved by the Advanced Training Committee – Cardiology;
- 1.5.2. an elected Deputy Chair
- 1.5.3. at least one member belonging to the relevant Specialty Society(ies)
- 1.5.4. a member from a rural accredited site
- 1.5.5. a member who is allocated responsibility for Paediatric interests
- 1.5.6. a new Fellow who has recently completed Advanced Training in Cardiology;
- 1.5.7. a New Zealand trainee in Cardiology, or an alternate approved by the committee.

Members may have multiple responsibilities.

The Chair of the Aotearoa NZ Subcommittee, or their delegate, will sit on the Advanced Training Committee – Cardiology.

1.6. Meetings

The Subcommittee shall meet face to face a maximum of once annually with up to nine additional teleconference meetings if required. Additional meetings require approval from the Adult Medicine Divisional Education Committee and the Director of Education.

2. TERM OF OFFICE

- 2.1. Members of the Subcommittee shall be appointed in accordance with the process for the appointment of members to College Bodies as set out in the Governance of College Bodies By-law or any by-law or document that replaces or complements that By-law from time to time.

College of Physicians

3. REPORTING

- 3.1.** The Subcommittee is a Committee of Advanced Training Committee – Cardiology and must report to them as required from time to time.
- 3.2.** The Subcommittee may make, through the Advanced Training Committee – Cardiology, exception reports to the New Zealand Adult Medicine Division Education Committee, New Zealand Paediatric and Child Health Division Education Committee or College Education Committee to address emergent or risk management issues as required.
- 3.3.** The committee will provide summary reports to the relevant Specialty Society(ies) from time to time in the specified format.
- 3.4.** Reviews of decisions of the Aotearoa NZ Subcommittee in Cardiology will be undertaken by a panel convened by the NZ Adult Medicine Division Education Committee. If the review is for a paediatric trainee, the panel will include representation from the NZ Paediatric & Child Health Division Education Committee.

4. DEFINITIONS

“Board”	means the Board of Directors of the College.
“College”	means the Royal Australasian College of Physicians (ACN 000 039 047), an incorporated body limited by guarantee and includes the Divisions, Faculties and Chapters of the College.
“Constitution”	means the Constitution of the College as amended from time to time.
“Fellow”	means a Fellow of the College.
“Specialty Society”	Specialty Societies are professional bodies for consultant physicians, which may include other medical practitioners, healthcare workers, researchers and other professional groups engaged in that specialty. Their objectives may include continuing professional development and support of members, involvement in education and research, mentoring of Trainees in their specialty, development and implementation of practice guidelines, and policy and advocacy for healthcare.
“Trainee”	means a person who is undertaking a program of Basic Training or Advanced Training approved by the College in order to gain Fellowship of the College.

Approved by **Adult Medicine Division Education Committee** on **21 January 2016**.
