AWARDS SYMPOSIUM 2024**

# PROGRAM

Friday, 26 July 2024  
2.30pm to 6pm AEST

145 Macquarie Street, Sydney  
and Online

**RACP**  
Specialists. Together

**RACP  
FOUNDATION**

## GUEST SPEAKER

**Professor Susan Woolfenden** MBBS FRACP MPH PhD.

Director of Community Paediatrics, Sydney Local Health District.  
Professor of Community Paediatrics, Central Clinical School,  
Sydney Medical School, the Faculty of Medicine and Health,  
University of Sydney.  
Co-chair, Sydney Institute Women, Children and their Families.

Professor Sue Woolfenden is the Director of Community Paediatrics at SLHD, and Professor of Community Paediatrics at the University of Sydney.

In her clinical, service development and research roles she aims to address child health and health care inequities in Australia and globally through innovative integrated health-social service models including Hubs and care navigation.

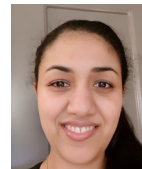

She has experience with working with large collaborative multidisciplinary teams including government and non-government agencies using qualitative and quantitative methods. Sue is an investigator on multiple grants with a focus on developing integrated and equitable models of child health care >\$15 M funding over the last five years, and has 157 peer-reviewed papers. She is the co-chair of the Sydney Health Partners Child and Adolescent Clinical Academic Group and the Sydney Institute for Women, Children and their Families at SLHD.

## Celebrating world leading research

RACP Foundation provides much-needed funding, support, and recognition to those contributing to medical knowledge today, for the improvement of healthcare tomorrow.

We award fellowships, scholarships, grants and prizes to medical students, researchers and established physicians.

Our Foundation award program is the largest research-oriented member benefit offered to RACP Fellows and trainees.
