Application for the reduced Annual Training Fee for Trainees involved in Research - 2027

What is the 'Research Fee'? Who is eligible?

The College offers Trainees involved in research a 50% discount on their annual training fees, in recognition of the significant income disparities between trainees in research-based employment and trainees in clinically-based employment.

To be eligible for the Research Fee you must meet all; of the following criteria:

i) the trainee is involved in a research activity; and
ii) The College counts the research as part of the trainee's training; and
iii) the trainee has a total personal income of less than $64,364 per annum (taxable income plus any grants and other income received)
