Where a training site is accredited for both Paediatric training and Adult Medicine training the site must not exceed one trainee on-site at any one time.

Training sites must not exceed the maximum number of trainees on-site.

#Laboratory is associated with an adult laboratory

* The RCPA Laboratory Site Accreditation List should be consulted for the accreditation status of core laboratory training positions.

** Indicates that the CJCT does not have records of a maximum number of trainees, approval and approval/certification of training will be made on basis of workload specified at time of application.
