Register now to become a Signatory!

Join the 200+ (and growing!) employers, regulators, insurers, self-insurers, government departments, unions, professional and industry associations across Australia and New Zealand in becoming a Signatory to the Health Benefits of Good Work Consensus Statement.

Why should your organisation register as a Signatory?

**LEAD** Be seen as an employer of choice – a leader in promoting healthy work practices and workplaces from within your organisation and across your sector.

**GROW** Be successful into the future – organisations will need to move beyond legislative requirements and embrace inclusive employment practices. More than ever, employers have greater social influence and responsibility.

**RESEARCH** Benefit from access to the latest evidence, current practices and innovation from researchers and employer groups as well as expertise of other HBGW signatories across Australia and New Zealand.

**NETWORK** Be part of a network of like-minded representatives of organisations with whom you can share information, challenges and experience.
