Ramazzini Presentation Abstract Guidelines

Prior to the Annual Training Meeting (ATM) at which trainees deliver their Ramazzini Presentations based on their Research Project, trainees are required to submit a Ramazzini Presentation Abstract for review.

Submissions must be in the correct format as advised below. **Abstracts which are not in the required format will be returned for amendment and considered after they have been amended.**

**Deadline and Eligibility**

**Ramazzini Presentation Abstracts are due 31 January of each year.**
Please note that trainees who have not submitted a Research Project will not be eligible to deliver their Ramazzini Presentation at the ATM. Please refer to the [Occupational and Environmental Medicine Training Handbook](#) for further details and the relevant educational information.

**Format Requirements**

- The abstract should not exceed 250 words in length (excluding headers).
- The abstract should be limited to text only.
- The abstract should be structured with the following headings:
  - Full title of Abstract
  - Author(s) names
  - Author(s) addresses
    - Background
    - Objectives
    - Methodology
    - Results
    - Discussion/Conclusion
- References should not be included
