US IN PERSON OR VIA ZOOM TO:

2025 WA TRAINEE'S DAY

For BPTs and ATs – a full day of support, skills, and connection.

What's on:

- **Exam Essentials** – insider tips from national examiners, written & clinical strategies, and honest advice on managing setbacks.
- **Career Skills** – CVs, job applications, interview prep, plus RACP updates on governance, pathways, and opportunities.
- **Fellowship Experiences Panel** – hear directly from trainees who've taken on local, interstate, and international fellowships.
- **Leadership & Communication** – practical strategies for difficult conversations and leading in complex environments.
- **WA Trainee Research Awards** – showcase of trainee research in Adult Medicine (Paeds welcome!).
- **Includes:** Presentations, catering, coffee van and networking with evening drinks & canapes.

Register now

Designed by trainees, for trainees – this is your day to learn, share, and prepare for the next stage of your physician journey.
