

Accredited Sites for Advanced Training

General Paediatrics January 2025

Core Training in **General Paediatrics** can only be undertaken in an accredited training setting.
Applicants are advised that the position applied for must be appropriate within these settings for Core Training to be approved.

Advanced Training in General Paediatrics requires a minimum of 36 months training, usually 24 core and 12 non-core.
Non-core training can be completed at any accredited advanced training site in addition to the below.
