

Accredited Sites for Advanced Training in Adolescent and Young Adult Medicine

February 2026

Please note:

This document is updated regularly. For any questions about training settings/positions accredited for Adolescent and Young Adult Medicine Advanced Training, please contact Training Accreditation Services via accreditation@racp.edu.au.

Training time/professional experience requirements for the Adolescent and Young Adult Medicine Advanced Training program are outlined in the training program handbook.

Trainees should refer to the handbook that corresponds to the year in which they entered the program, for guidance on their training requirements, including rules around what types of training must be undertaken in accredited positions, and training time certification limits on different types of training:

- Advanced Trainees commencing prior to 2026 please refer to the [PREP Handbook](#) – Training requirements.
- Advanced Trainees commencing from 2026 please refer to the [New Curriculum](#) – Learning, teaching and assessment requirements.

For any questions regarding training time requirements, or about undertaking core training at an unaccredited site, please contact Training Services via AdolescentMed@racp.edu.au.
