

Core Training in **Endocrinology** can only be undertaken in an accredited training setting.

Applicants are advised that the position applied for must be appropriate within these settings for Core Training to be approved.

PLEASE NOTE: *Non-core* training will be approved by the Committee on a case by case basis. For more information please email Endocrinology@racp.org.nz

Overseas Training Sites

Trainees applying for overseas training must submit evidence related to supervision and training to ensure the placement is relevant to gain competencies required by the curriculum. Core training will only be certified in places where the training experience is similar to that of Australia or New Zealand.

Applications for overseas training must be submitted at least six months in advance. To support the application the following information must be submitted:

- Two supervisors (approved by the Committee)
- Position description and roster.
- Evidence that the site is accredited for Endocrinology training.
- Detailed information on the training experience, education program and relevance of training.
