

IMPORTANT NOTE:

Maximum training terms conducted per site

Training Terms 1 (Inpatient/Hospice), 2 (Community) and 3 (Teaching Hospital/Consultation) should be **completed at two or more sites** (with different supervisors and different work setting).

Part-time trainees can complete 12 months full time equivalent training (FTE) in a combination of Terms 1, 2 and 3 at one site, and the remaining 6 months FTE must be completed at a different site.

A site is defined as one listing on this register of accredited sites (i.e. a service with multiple hospitals is considered as one site).

Non-core Palliative Medicine Variable or Relevant Specialty training term

Training Term 4 (Palliative Medicine Variable) for trainees commencing in 2016 and prior, and Term 5 (Relevant Specialty) for trainees commencing in 2017 and after, can be undertaken in any position that is accredited for Training Term 1, 2 or 3. Trainees undertaking Non-core training are not counted in the maximum number of trainees at the site.

For further details please contact the Education Officer for Palliative Medicine by phone (02) 9256 5444 or email PalliativeMedTraining@racp.edu.au.
