Palliative Medicine

Updated February 2026

IMPORTANT NOTES:

- This document is updated regularly. For any questions about training settings/positions accredited for Palliative Medicine Advanced Training, please contact Training Accreditation Services via accreditation@rACP.edu.au.
- Training time/professional experience requirements for the Palliative Medicine Advanced Training program are outlined in the training program [handbook](#). Trainees should refer to the handbook that corresponds to the year in which they entered the program, for guidance on their training time/professional experience, and location of training requirements. For any questions about training time requirements, please contact Training Services via palliativemedtraining@rACP.edu.au
- From 1 February 2024, the 'Clinical Diploma in Palliative Medicine' has been renamed to 'Clinical Foundation in Palliative Medicine'. Program content remains unchanged. The term Diploma is a protected higher education award, regulated by the Tertiary Education Quality and Standards Agency (TEQSA). The name change is required to ensure the RACP is compliant with the TEQSA Act 2011.
