Accredited Sites for Advanced Training
Sexual Health Medicine October 2026

Important information:

- This document is updated regularly. For any questions about training settings/positions accredited for Sexual Health Medicine Advanced Training, please contact Training Accreditation Services via accreditation@racp.edu.au.
- Core Training in sexual health medicine can only be undertaken in an accredited training setting/position. Trainees are encouraged to contact their supervisor regarding the areas of accreditation sites provide to ensure it aligns with their training goals.
- Overseas training settings/positions must be prospectively approved by the Training Committee for Sexual Health Medicine (TCSHM) to provide core training, in line with the accreditation process outlined in the Accreditation Criteria for Sexual Health Medicine Advanced Training Positions. For enquiries about overseas training, please contact **SHMedTraining@racp.edu.au**.
- Regardless of what a training site may be accredited for, trainees must achieve their training program requirements. Trainees should refer to the handbook that corresponds to the year in which they entered the program for guidance on their training requirements. For enquiries about training program requirements, please contact **SHMedTraining@racp.edu.au**.
