

**IMPORTANT NOTE:** Training Terms 1 (Inpatient/Hospice), 2 (Community) and 3 (Teaching Hospital/Consultation) should be **completed at two or more sites** (different supervisors and different work setting). A site is defined as one listing on this register of accredited sites (i.e. a service with multiple hospitals is considered as one site).

Part-time trainees can complete 12 months full time equivalent training (FTE) in a combination of Terms 1, 2 and 3 at one site, and the remaining 6 months FTE must be completed at a different site

Training Term 4 (Palliative Medicine Variable) for trainees commencing in 2016 and prior, and Term 5 (Pall Care Variable or Relevant Specialty) for trainees commencing in 2017 and after, can be undertaken in any position that is accredited for Training Term 1, 2 or 3.
